Sir:

Pursuant to the provisions of 37 C.F.R. § 1.322, please enter the attached Certificate of Correction.

The Certificate of Correction seeks to correct an error in the (30) Foreign Application Priority Data. Japanese Application No. 2002-315649 is missing from the face of the issued patent. See the Declaration/Power of Attorney filed October 29, 2003. The certified copy of the priority document was filed on October 29, 2003 as shown in PAIR. The Examiner acknowledged the claim for foreign priority and receipt of the certified copy of the priority document in the Notice of Allowability dated April 27, 2006.

Since the errors noted are believed to be the fault of the Patent and Trademark Office, we are not enclosing the \$100.00 Certificate of Correction fee. If it is found to be to the contrary, please charge our Deposit Account No. 19-4880.

In view of the foregoing, issuance of the Certificate of Correction is respectfully requested.
